OFFICIAL NEWSLETTER OF THE TENNESSEE UNIT 095, WALLY BYAM CARAVAN CLUB INTERNATIONAL year. This is a great project, contact Jim or Donna if you have any questions.

Luncheon at Ryan's on Highway 127 in Crossville on February 28th at 11:00 AM

As you will see from the pictures in this issue the luncheon at O'Charley's in Chattanooga during November drew a small but enthusiastic crowd. Victor Bowman and Ron Hoyt took home the door prizes. I am very sad to say that we missed it due to some short lived but unexpected family medical problems. Thanks to Judy Bowman who did a great job scheduling and hosting this event. We have to have volunteers like Judy to make the wheels turn.

Our next event was scheduled to include a trip to the Cumberland County Playhouse, but due to their limited schedule in February we will postpone that trip until August when we'll be able to see Beauty and the Beast. We will still have a luncheon at Ryan's on Highway 127 in Crossville on February 28th at 11:00 AM. Please let me know either via email to simmons1436@msn.com or by phone at (931) 484-4346 not later than Monday February 25th.

There were a total of nine TN unit memberships (including affiliates) represented at the Region 6 Rally in Gonzales, LA. There was a lot of good music and of course lots of good food enjoyed by all.

Remember the TN Unit Rally April 10 – 13th at TCPC will precede the TN State Rally. Registration forms for the April Rally will be mailed next month. One of the topics of discussion at both rallies will be a proposal to hold the TN State Rally every other year. This has been proposed to lighten the burden on the smaller units in hosting this event.

Unit Participation In The TN State Rally

Don't forget the TN State Rally is April 16 – 20 and Rally Registration deadline is April 1st. I hope all of you can make it to the Tennessee State Rally, but whether you attend or not you can still participate in this project. We received the following messages from Brent Latham and Jim and Donna Carr. As you may already know the East TN Unit is host of the TN State Rally this

ALL MEMBERS...PLEASE READ!

Jim and Donna Carr of the East TN Unit 165 are working on a project for the State Rally and they need everyone's HELP! They are putting together a slideshow DVD to play at the State Rally. I think this is a great idea. I hope everyone will participate.

Thanks,
Brent Latham
President
East TN Unit 165

Airstreamers,

We would like to put together a presentation of pictures of Airstreams and places visited for the State Rally being held at TCPC, April 16- 20, 2008. (Deadline for rally registration is April 1, 2008!)

We would like each Airstreamer to submit a total of four (4) pictures. We would like two of the four pictures to be of your favorite places you have visited with your Airstream. We need the other two pictures to have your Airstream (part or all of it) included in the photo.

We need these photos submitted before March 1, 2008. Please submit your photos to jimcarr219@comcast.net.

We look forward to working on this project. Thank you for all your help and prompt response!

Tennessee Unit website

"With a little help from our friends" as the song goes, we now have the TN Unit website up and running. There is much work to be done to complete it, but you can access it through the WBCCI website at www.WBCCI.org. Select Regions and Units, then Region 6 and you should find us at the bottom of the listing. Just click on Tennessee Unit under the heading of Membership Chairmen and it will take you to our website. Soon I will be able to give you a more direct link. Currently we are using the website more to inform those interested in joining our unit, but it is also there to help keep our members aware of coming event dates and locations. There soon will be membership applications that can be printed out. As you could see from our last newsletter there were several events listed as TBA. We are trying to fill in those dates as quickly as possible. As soon as this information is available it will be posted on the TN Unit website so it will be available even before your next newsletter is published. Speaking of "published" we have had limited response to our offer to email the newsletter. Remember, members will receive the emailed newsletters much quicker, in full color, and it will save the unit printing and mailing costs. So if you have the capability of receiving your newsletter online please consider this and advise me if you wish to make this change.
